

INFORMATION FOR INTERNATIONAL STUDENTS ON LANGUAGE REQUIREMENTS FOR THE STUDIES AT THE UNIVERSIDAD EUROPEA OF VALENCIA

The following document is intended to inform international students enrolled in the Dentistry Degree, “Grado de Fisioterapia” and “Grado de Odontología” on the language conditions and requirements for the access at the Universidad Europea of Valencia.

- A B1 level of Spanish is recommended for all formation in Spanish of the Universidad Europea of Valencia, specifically for the “Grado en Odontología” and “Grado en Fisioterapia” studies to the good comprehension and success of the degrees.
- 4th and 5th year courses will always be in Spanish for both the Bachelor’s Degree in Dentistry and the “Grado en Odontología”.
- A B1 level of Spanish is required in order to have access to patient care and to the curricular clinical training for the Dentistry studies that takes place at the University Dental Clinic of Universidad Europea de Valencia.
- All international students must present an Official Language Certificate certifying the required level of Spanish (minimum B1), before the commencement of the 4th year of studies of Dentistry.
- Universidad Europea de Valencia will offer international students enrolled in the Degree in Dentistry a Spanish Language Learning Program:
 - Free Spanish language course during the first trimester for new enrollment international students.
 - The *Language Center* of Universidad Europea de Valencia offers Spanish language courses during the whole academic year. Different levels, groups and schedules are offered. International students have access to these courses during their whole academic career at UEV.
 - All first, second and third year dentistry courses include activities in Spanish (this applies for the English group).
- It is the student’s responsibility to reach the required level of Spanish (B1) before the commencement of the 4th year of Dentistry studies.
